Professional Designations

Chartered Financial Analyst® (CFA®) – The CFA® designation is an international professional certificate that is offered by the CFA Institute. Candidates that pursue the certification have in-depth knowledge of securities types and investment vehicles. In order to qualify for a CFA®, candidates must meet standards for examination, education, experience, and ethics. Candidates must possess a bachelor's degree from an accredited school or its equivalent and have completed 48 months of qualified professional work experience. Candidates must pass a series of three six-hour exams that covers ethics, quantitative methods, economics, corporate finance, financial reporting and analysis, security analysis, and portfolio management. Candidates must meet and continue to adhere to a strict Code of Ethics and Standards governing their professional conduct.

Item 3: Disciplinary Information
